BOB CRAMER, EMPEROR

September 13, 1975

F A R E W E L L ---

It is with very mixed emotion that the "Reign of the Cable Car Court" is drawing to a close. And we would like to take this opportunity to offer sincere "thanks" to the community at large for the enthusiastic support and extreme loyalty we have been fortunate to have during the past year.

This support enabled the Cable Car Court to raise over \$12,000 for donation to various gay charitable organizations of the Bay Area. We have worked for and funded the Society for Individual Rights, Pride Foundation, Operation Concern, Helping Hands Center, S.I.R. Legal Defense Fund, Toys for Children of Lesbian Mothers, California Committee for Equal Rights, Tavern Guild Building Fund and several other worthy causes.

We are genuinely pleased with our reign and I personally feel that, through the efforts of the Cable Car Cabinet, we have been successful in turning the Office of the Emperor of San Francisco into one of the most important and most respected gay offices on the West Coast....of that I am proud!

And one final note to all who have walked with us through difficult times -- I very much hope you will now join the fourth Emperor of San Francisco toward strengthening his conviction to face the future with confidence.

With every good wish,

Sincerely,

A handwritten signature in black ink, appearing to read 'BOB CRAMER', with a long horizontal line extending to the left.

# MEET THE 1975 CANDIDATES

**MICHAEL CARINGI**

Michael Caringi grew up in Manhattan, New York. He attended grade school and high school in New Jersey. Upon graduation from "Don Boosco" High School, he attended City College in New York for 2 years. On the recommendation of his family, he completed his college education in Milan, Italy. He then returned to New York to work as Business Administrator for the family.

Much of his spare time was spent working with handicapped children, especially the mentally retarded, in the Manhattan area.

After a vacation trip to San Francisco he decided to move here in 1969. Since his arrival he has worked as a bar manager and bartender. Due to his work and interests he has met and worked with a wide spectrum of the gay community. He has become deeply committed to the betterment and prosperity of all his gay brothers and sisters.

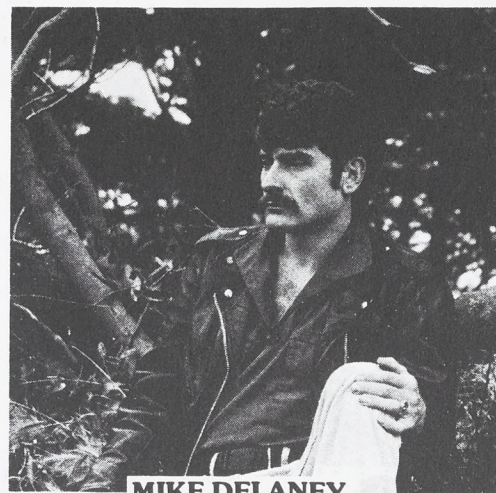

He has been involved in a great many gay activities and functions, which have included donations of time and money whenever possible.

He is a member of SIR and San Francisco Tavern Guild. His interest lies in blending the gay forces from every facet of our gay community to give us strength and harmony in our great Bay Area. He loves S.F. and has made this his home.

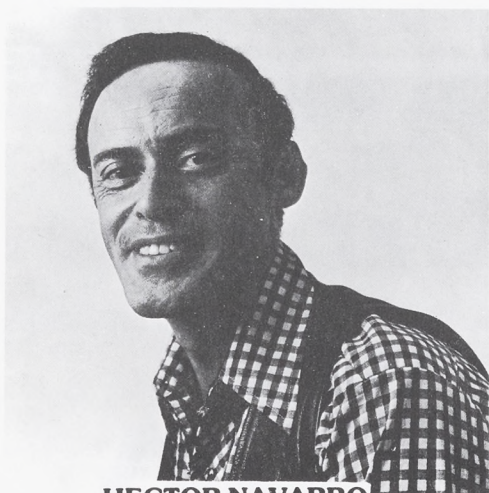

Mike Delaney was born in Corpus Christi, Texas, on July 10, 1946. A graduate of a Catholic University, with a B.A. in English Literature from St. Edward's University in January 1968. After graduation, he spent a few months with the Peace Corps in Afghanistan. After some disappointment with the Peace Corps, Mike returned briefly to Texas—where he was even more disappointed in the standstill in his life—so he came to San Francisco. He worked at the University of San Francisco Library, Foster's Restaurants and now, the U.S. Postal Service, where he has worked the last five years as a regular clerk.

Mike Delaney's hobbies have included hiking, chess, reading, metaphysics and tarot card reading. He has also enjoyed writing his regular column, "The Scorpion," in DATA BOY magazine.

When asked about his motivation to run for Emperor IV, he usually replies, "I hope to win; the campaign will offer a platform—a means in which to get across some urgent and vital ideas to communicate in shaping the future of the gay community. A lot of my own ego is involved in this, but I think I have something meaningful, fresh and creative to contribute to the scene."

**MIKE DELANEY**

**HECTOR NAVARRO**

Hector Navarro is a Taurus who has lived in San Francisco for 16 years. He has worked closely with many groups up and down the West Coast as well as in San Francisco. Hector has been Vice-President and President of the Society for Individual Rights (SIR) and is currently on their Ways and Means Committee. During his presidency he brought SIR to financial stability and brought about a tremendous amount of credence into the Society. Hector also currently sits on the Board of Directors of Operation Concern (a gay mental health project), of which he was a founding member. His most recent contribution was chairperson of the very successful "Circus-Circus." Hector has received a "Certificate of Honor" from the Board of Supervisors of the City and County of San Francisco, for his distinguished service in the Community, a Resolution from the Senate, California State Legislature, for being "An active and universally respected member of the San Francisco community and a founder of Operation Concern . . . has served as an organizer of many charitable functions for community projects and needy individuals." He has received many commendations, awards, citations, certificates and resolutions for his untiring efforts and endeavors for humanitarian causes within the gay community.
